Performance of the institution in one area distinctive to its vision and priority

Through proper planning and strategies, the institution focuses at delivering to its best ability the vision of the college. The nation in general and the state in particular, is marred with the problem unemployment among educated youth. Therefore, the need for “Skill-based system of education” is becoming more vocal in present times. A couple of important initiatives taken at the institution towards skill-based education were the College offering skill course in local handicraft skill under RUSA. The college is one of the few institutions in the district offering employment-oriented skill development programme. The establishment of this center by the college was a much-needed initiative to equip the students for their future. With a distinctive vision to impact the society, the centers provide the required skills for immediate employment. This is a big step towards diminution of the problem of educated unemployed youths in the state. By allowing the students to pursue their dreams with a sense of direction, the centre help those with a view to build their careers in the selected areas. The College provides skill Course in Hospitality and Tourism Management. MOUs have been signed with some of the top Hotels in the town where students avail hands-on training during their internships for a period of one month. The College also assists the successful students in getting lucrative placements across the country. The curriculum for the skill Course in other subjects has been designed and approved by the Kashmir university. The college aims at creating a hatching ground for the students to develop their hobbies and achieve success in life. There are steps towards facilitating the students with the required knowledge, experience and exposure to pursue their dreams with gainful employment. With the skills gained, the student becomes more determined and confident in facing the future.
